Code of Conduct for Coaches

I agree to:

- Ensure the safety of all children through careful supervision and planning of coaching/playing sessions using safe practices at all times.
- Emphasise fun and participation, as winning is not the only objective.
- Never ridicule or shout at young players for making mistakes or losing a match.
- Not allow any rough or dangerous play, bullying, or the use of bad language/inappropriate behavior.
- Develop players and team respect; for each other, opponents, referees and other coaches.
- Always be positive and try to create a safe and enjoyable environment in which to train and play.
- Encourage young players to develop basic skills and sportsmanship.
- Attend suitable training courses whenever possible to assist your professional development when working with young people in sport.
- Be a role model to the young people while coaching, leading by example.
- Adopt a child-centered approach at all times.
- Record any incidents or accidents on reporting form and submit to the organising body. Parents should be informed.
- Coaches should not contact young people through personal mobile phones/internet sites, which allow for inappropriate direct personal contact with young people.
- Coaches should not spend amounts of time with children away from others, take sessions alone and take children on journeys in cars.
- Coaches should not engage in rough physical games, sexually provocative games or allow or engage in inappropriate touching of any kind, and/or make sexually suggestive comments about or to a child.

I understand the nature of my roles and responsibilities as a coach. I have read and understand the Futuring Sports Code of Conduct and I accept my responsibility to care for the children and young people with whom I come into contact.
